CHPOA President's Letter

The Cape Haze Property Owners Association Annual Meeting is Saturday, January 21 at 4:00 PM. This is an important time to hear what's happening in your Community and a great time to express your opinion as well. I'd like to give a special thank you to the CHPOA Board members who worked so hard for you this past year. They are Susan Butler, Jeanne Corbin, Mary Lou Fitzgerald, Bill Blasdell, Ralph Bond, Shell Rieley and Art Hanson. They are truly dedicated to providing a better Community for you – so please thank them when you see them in the neighborhood.

It's been a good year for CHPOA. Our membership has increased and we have made a significant improvement to the appearance of our Community Center landscaping. The County is now considering a more reasonable improvement to Placida Road – providing the needed repaving and adding bike paths and a sidewalk on the east side. We should be able to provide a status update at the Annual meeting. We continue to maintain our vacant lots and common areas. This year we also trimmed the trees on our two islands to ensure good navigation. And don't forget our beach property. Our beach ownership and access is unique and valuable to all of us.

The Deed Restriction Revitalization process is about to enter the next phase. After encouraging everyone to vote we have received 160 votes in favor versus 20 opposed. Having received strong support and the required majority in favor of the updated deed restrictions, we will proceed with the process of filing with the County and the State. I'd like to thank everyone for their participation.

The CHPOA Board has proposed that the number of board members be reduced to seven from the present nine. Assuming the members approve this change at the Annual Meeting, we will be electing two new members this year. I have reached the end of my second term on the board and a new President will be chosen for 2012. I have enjoyed my time serving the Cape Haze Community and wish to thank everyone who has worked so hard to help move us in a forward direction. I truly appreciate your dedication and support. And a special thank you goes to the Cape Haze Women's Club. You truly do the most to make our Community an interesting and enjoyable place to live.

Regards,

Ross Witschonke

We're very sorry to announce that Barbara Hanson has resigned as our President due to health problems. We all wish Barbara the very best with a speedy recovery. We'll miss her guidance and dedication to the Community and look forward to seeing her at our events in the near future. Per our By-Laws, Vice President Nancy Buechler will complete Barbara's term.

A special *Thank You* to: Sharon Blasdel and Mary Lou Fitzgerald, Chairs of Cape Haze holiday decorating; Penny Rieley for preparing the delicious ham for our holiday dinner; Susan Butler and Lorrie Flowers for hosting January's Friday Night Social; Cindy Howell and Mary Lou Fitzgerald for the Chicken and Ribs Dinner; Cheryl Clark and the aerobics ladies for helping set up for just about every occasion; and to all those who helped with these and other Cape Haze events.

Kids' Needs particularly thanks Cape Haze for donating seven complete boxes of toys, clothing, and shoes; and for giving several gift certificates and checks to the Christmas effort. Thank you everyone for your generosity - let's not quit now! Current needs center around toiletries and school supplies, with school clothing and shoes always being needed. The Donation Box is inside the Community Center so if you don't have access to it, please call any Women's Club Board member for assistance.

Community Notes

As this issue of *The Fountain* goes to press, I'm reminded of the considerable effort made by a small percentage of our Community to make Cape Haze the wonderful place we've all come to love.

We must remember the time investment donated by the CHPOA (Cape Haze Property Owners Association) Board members maintaining and improving the Community. They keep the common areas trimmed and clean, keep the lights at the entrance and fountain working (not to mention the water), maintain the beach area, keep vacant lots mowed, clean the roadside along Placida Road and much more.

They also coordinate efforts to save neighbors' property lines from incursion by County development and maintain no wake zones in the intracoastal.

It's impossible to name all those who contribute, but know that you and your efforts are appreciated. And, if you are one who doesn't help out, give it some consideration. If everyone pitched in, from picking up litter to financially supporting CHPOA and CAM (Common Area Maintenance) to serving on the Board, imagine what could be accomplished!
