

Cape Haze Women's Club Meeting

Monday, Nov. 14, 1 pm

Cape Haze Community Center

**Men
also
invited!**

**Come and listen to Louise Huffman talk
about her work in Antarctica.**

Louise Tolle Huffman is an American teacher with over 30 years of teaching experience with many years focused on polar science and climate studies, and has written educational outreach books and articles on Antarctica. She is the Director of Education and Outreach for the US Ice Drilling Program Office, responsible for outreach efforts highlighting IDPO scientists and their research results.

Invite others to this interesting talk!

Men are most certainly welcome. Please come!!!
